DIRECTIONS FOR USE		
SITUATION	APPLICATION RATE	CRITICAL COMMENTS
Colourant for Lakes and Ponds	Dilution Rate: 1 Litre AQUA BLUE per 1 Mega litre of water body Surface Area Rate: 10L per hectare of water body surface area with an average depth of 1 Metre	Provides a deep blue appearance for lakes and ponds. Pour colourant from several locations near the shoreline for optimal colour coverage. Apply on a monthly basis or as required to maintain aesthetic appearance.

GENERAL INSTRUCTIONS

Colourant to improve appearance of water bodies. To curtail Algae and Aquatic plant growth by blocking sunlight penetration into water bodies. Disperse evenly throughout water body.

MIXING

To achieve thorough mixing and improved coverage premix **AQUA BLUE** with water in a ratio 1:10 before application.

PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT

DO NOT contaminate streams, rivers or waterways with used container.

STORAGE AND DISPOSAL

KEEP OUT OF REACH OF CHILDREN. Store in the closed, original container in a well-ventilated area, as cool as possible. Triple rinse containers before disposal. Add rinsings to spray tank. DO NOT dispose of undiluted chemicals on-site. If recycling, replace cap and return clean containers to recycler or designated collection point. If not recycling, break, crush, or puncture and deliver empty packaging to an approved waste management facility. If an approved waste management facility is not available, bury the empty packaging 500mm below the surface in a disposal pit specifically marked and set up for this purpose, clear of waterways, desirable vegetation and tree roots, in compliance with relevant local, state or territory government regulations. DO NOT burn empty containers or product.

SAFETY DIRECTIONS

DO NOT swallow. Avoid contact with skin or eyes. Wear rubber gloves, overalls and goggles or face shield. Wash hands with soap and water after use.

FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 13 11 26. If swallowed, give plenty of water to drink and seek medical assistance. If skin contact occurs, remove contaminated clothing and wash skin thoroughly. If in eyes, hold eyes open and flood with water for at least 15 minutes and see a doctor.

SAFETY DATA SHEET

For more information refer to the Safety Data Sheet (SDS) which can be obtained from the supplier.

CONDITIONS OF SALE: The use of **AQUA BLUE** being beyond the control of the manufacturer no warranty expressed or implied is given by Indigo Specialty Products Pty Ltd regarding its suitability, fitness or efficiency for any purpose for which it is used by the buyer, whether in accordance with the directions or not and Indigo Specialty Products Pty Ltd accepts no responsibility for any consequence whatsoever resulting from the use of this product.
