BioForce MicroPrime

Formulated in Australia

Microbial Amendment for Turf & Amenity Horticulture

APPLICATION DETAILS
Apply via boom spray, fertigation unit or fertispray.

Per Hectare Mix
> 1L BioForce BioBase: Part 1 +
> 1L BioForce Microbe Support: Part 2 +
> 1L BioForce Plant Support: Part 3

Product Usage Rates: Please note that the product usage rates should only act as a general guide. Indigo Specialty Products Pty Ltd recommends that all products are applied after appropriate testing has been conducted so that correct products and rates can be recommended. BioForce BioBase, BioForce Microbe Support and BioForce Plant Support should be applied at 1L/ha at recommended application periods.

APPLICATION GUIDE
Apply through boom spray, aerial, fertigation, or overhead irrigation. DO NOT apply when conditions are extremely hot. Best applied in temperatures in the range of 5-25^{0}C.

MIXING INSTRUCTIONS
1. Half fill tank with required volume of water.
2. Add the required amount of BioForce MicroLife.
3. Fill the remainder of tank with water and maintain agitation.

COMPATIBILITY
Product may be compatible with herbicides and pesticides. Please check with the manufacturer. Please be aware that physical compatibility does not guarantee product efficacy.

WARNING
KEEP OUT OF THE REACH OF CHILDREN. DO NOT SWALLOW. The spray from this product may act as an irritant. Avoid inhalation and contact with the eyes and skin. Users are encouraged to seek further advice.

STORAGE
DO NOT STORE product in direct sunlight. DO NOT STORE product in temperature below 5^{0}C.

CONDITIONS OF SALE: Indigo Specialty Products shall not be liable for any loss injury damage or death whether consequential or otherwise whatsoever or howsoever arising whether through negligence or otherwise in connection with the sale supply use or application of this product. The supply of this product is on the express condition that the purchaser does not rely on Indigo Specialty Product's skill or judgement in purchasing or using the same and every person dealing with this product does so at his own risk absolutely. No representative of Indigo Specialty Products has any authority to add to or alter these conditions.
